Re: U.S. Serial No. 10/585,961

Dear Ms. Campbell:

This is a confirmation of our phone conversation today regarding the NOTIFICATION OF DEFECTIVE RESPONSE mailed October 10, 2008, which indicated that a Sequence Listing is required for the above-referenced application.

I am preparing to take over representation of this application. I reviewed the application as filed and could not locate any sequences within the application. As such, a Sequence Listing should not be required. Please vacate the NOTIFICATION OF DEFECTIVE RESPONSE and allow the application to proceed to examination.

Please contact me at 612-305-1225 if you require any further information.

Thank you.
